

WARRANTY

If any material or manufacturing defects are found during the statutory customer protection period, we will either repair or replace the equipment, whichever we consider the more appropriate. This statutory period may vary according to the legislation in force in the country where the equipment was purchased.

Our warranty is valid only if:

- The equipment has been used properly
- The operating instructions have been followed
- Genuine replacement parts have been used

The warranty is no longer valid if:

- The equipment has been tampered with
- Technical modifications have been made
- The equipment was not used for its intended purpose

The following are not covered by warranty:

- Paint damage due to normal wear
- Wear parts identified by a border [xxx xxx (x)] on the spare parts list
- Combustion motors (these are covered by a separate warranty from the manufacturer concerned)

The warranty period begins on the purchase by the first end user. Decisive is the date on the receipt. To make a claim under warranty, please take this statement of warranty and proof of purchase to the nearest authorised customer service centre. This warranty does not affect the usual statutory rights of the customer relative to the seller.
